INFORMATION ABOUT OUR USE OF COOKIES

Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our site.

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. Cookies contain information that is transferred to your computer's hard drive.

We use the following cookies

- **Functionality cookies.** These are used to recognise you when you return to our website. This enables us to personalise our content for you, greet you by name and remember your preferences (for example, your choice of language or region).
- **Targeting cookies.** These cookies record your visit to our website, the pages you have visited and the links you have followed. We will use this information to make our website and the advertising displayed on it more relevant to your interests. We may also share this information with third parties for this purpose.

You can find more information about the individual cookies we use and the purposes for which we use them in the table below:

Cookie Name	Description	Category	Expiration
PHPSESSID	In connection with the use of the web-serve, the server will not collect, handle, use, store and/or process in any way user's personal information.	Targeting Cookies	N/A
admin_lang	This cookie does affect the personal data of the visitor and it does not have any tracking functions. We use this cookie for website administration purposes only.	Functionality cookies	One hour
lang	This cookie is used to allow website users to set the language of their preference.	Functionality cookies	One hour
camp	This cookie is used to enable us to track the referrals made by our introducers. Users referred by our business introducers will be requested to click on the link provided to them	Functionality cookies	24 hours

	by the introducers in order to be redirected to our website. This link contains an identifier which allows us to identify the introducer. When the user clicks on the link, the cookie is enabled, and we are able to see when the user visited our website.		
Others	We use buttons to enable our users to access live chatting forums. These are buttons for third party services. Users are able to review the respective terms of use and privacy policies of these providers to understand exactly how they use their personal data.	Third Party	

Please note that third parties (including, for example, advertising networks and providers of external services like web traffic analysis services) may also use cookies, over which we have no control. These cookies are likely to be analytical/performance cookies or targeting cookies.

You block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies) you may not be able to access all or parts of our site.

Except for essential cookies, all cookies will expire after 24 hours.
